Entry Details V.8

Membership

Membership is free and continuous.

Although should you not race with us within two seasons of joining (or part thereof) your membership will expire. Following this, your race number will be available to others and membership notifications and group inclusion will cease. Of course you can re-join at any time but you may be asked to pay a non-refundable race deposit which you can use within that current season.

Reserve your place

Only a £100 deposit will reserve you a place. Its first come first served.

You can view the entry lists on the website (Races and Events page) If it appears full, I recommend you pay the deposit anyway as places often come available before and up to race day, as well as retirements on the day.

Payment by bank transfer: P A Nevill 40-46-08 51170678

You can see your 'paid' status on the website Entry Lists, shown in green. Example

Withdraw your deposit

Withdraw before the deadline (2 weeks before the event) and your deposit can be rolled over, held as credit or refunded. **After the deadline your deposit is non-refundable.**

Our entry fees are on a reducing scale shown as 'price breaks' on the website Entry Lists.

At the two week deadline all remaining deposits are counted to determine the race entry fee.

You will be notified by email; normally Friday around 6pm...Balance payments will then be due within 7 days. Please be mindful the entry fee may not always meet its minimum price.

*Closing dates may vary. (Subject to the organising clubs policy)

Club Fee

There is an additional fee which contributes to the clubs costs:

£80 prior to your first race (which covers the whole season) or £20 per meeting.

Withdrawals/Refunds

- If you withdraw prior to the event - **Full refund, less your deposit**
- **Retired** - Unable to participate past qualifying - **£100 refund**
- **Reserve** - Unable to participate past qualifying - **Full refund, less £100**
- **Reserve+** - If your deposit/entry remains outside of qualifying capacity - **Full refund**

If you decide not to attend inside the two week deadline it can be detrimental to the price break scheme and race availability for others. If you can't make it I urge you to **let me know ASAP**

Reserves

If car A is unable to get on grid, the 1st reserve takes that place, then car A moves to 1st reserve...

If car A has retired completely, then 2nd reserve moves up to 1st reserve.

Cancelled race

If a race is cancelled any refunds will be as per the organising Clubs policy.

Cancelled meeting

If a meeting is cancelled your deposit/entry can be rolled over, held as credit or refunded.

You will be asked to confirm your choice. Rollover selection will start with the earliest payment received for the cancelled race (this matters only if the replacement grid capacity is less)
